Today, I forced Big Sister to come with me
Hey!
Hey!
GRR RRR RRR!!
This is really boring!
She didn't see all that enthusiastic, but I'm sure that she'll warm to it in no time
Hmm...
Waterfalls are so amazing
sure

Wah

Ah--
Huh?
Hey, Big Sis---
WAHHHH HHHHHHH HHHHHHHH

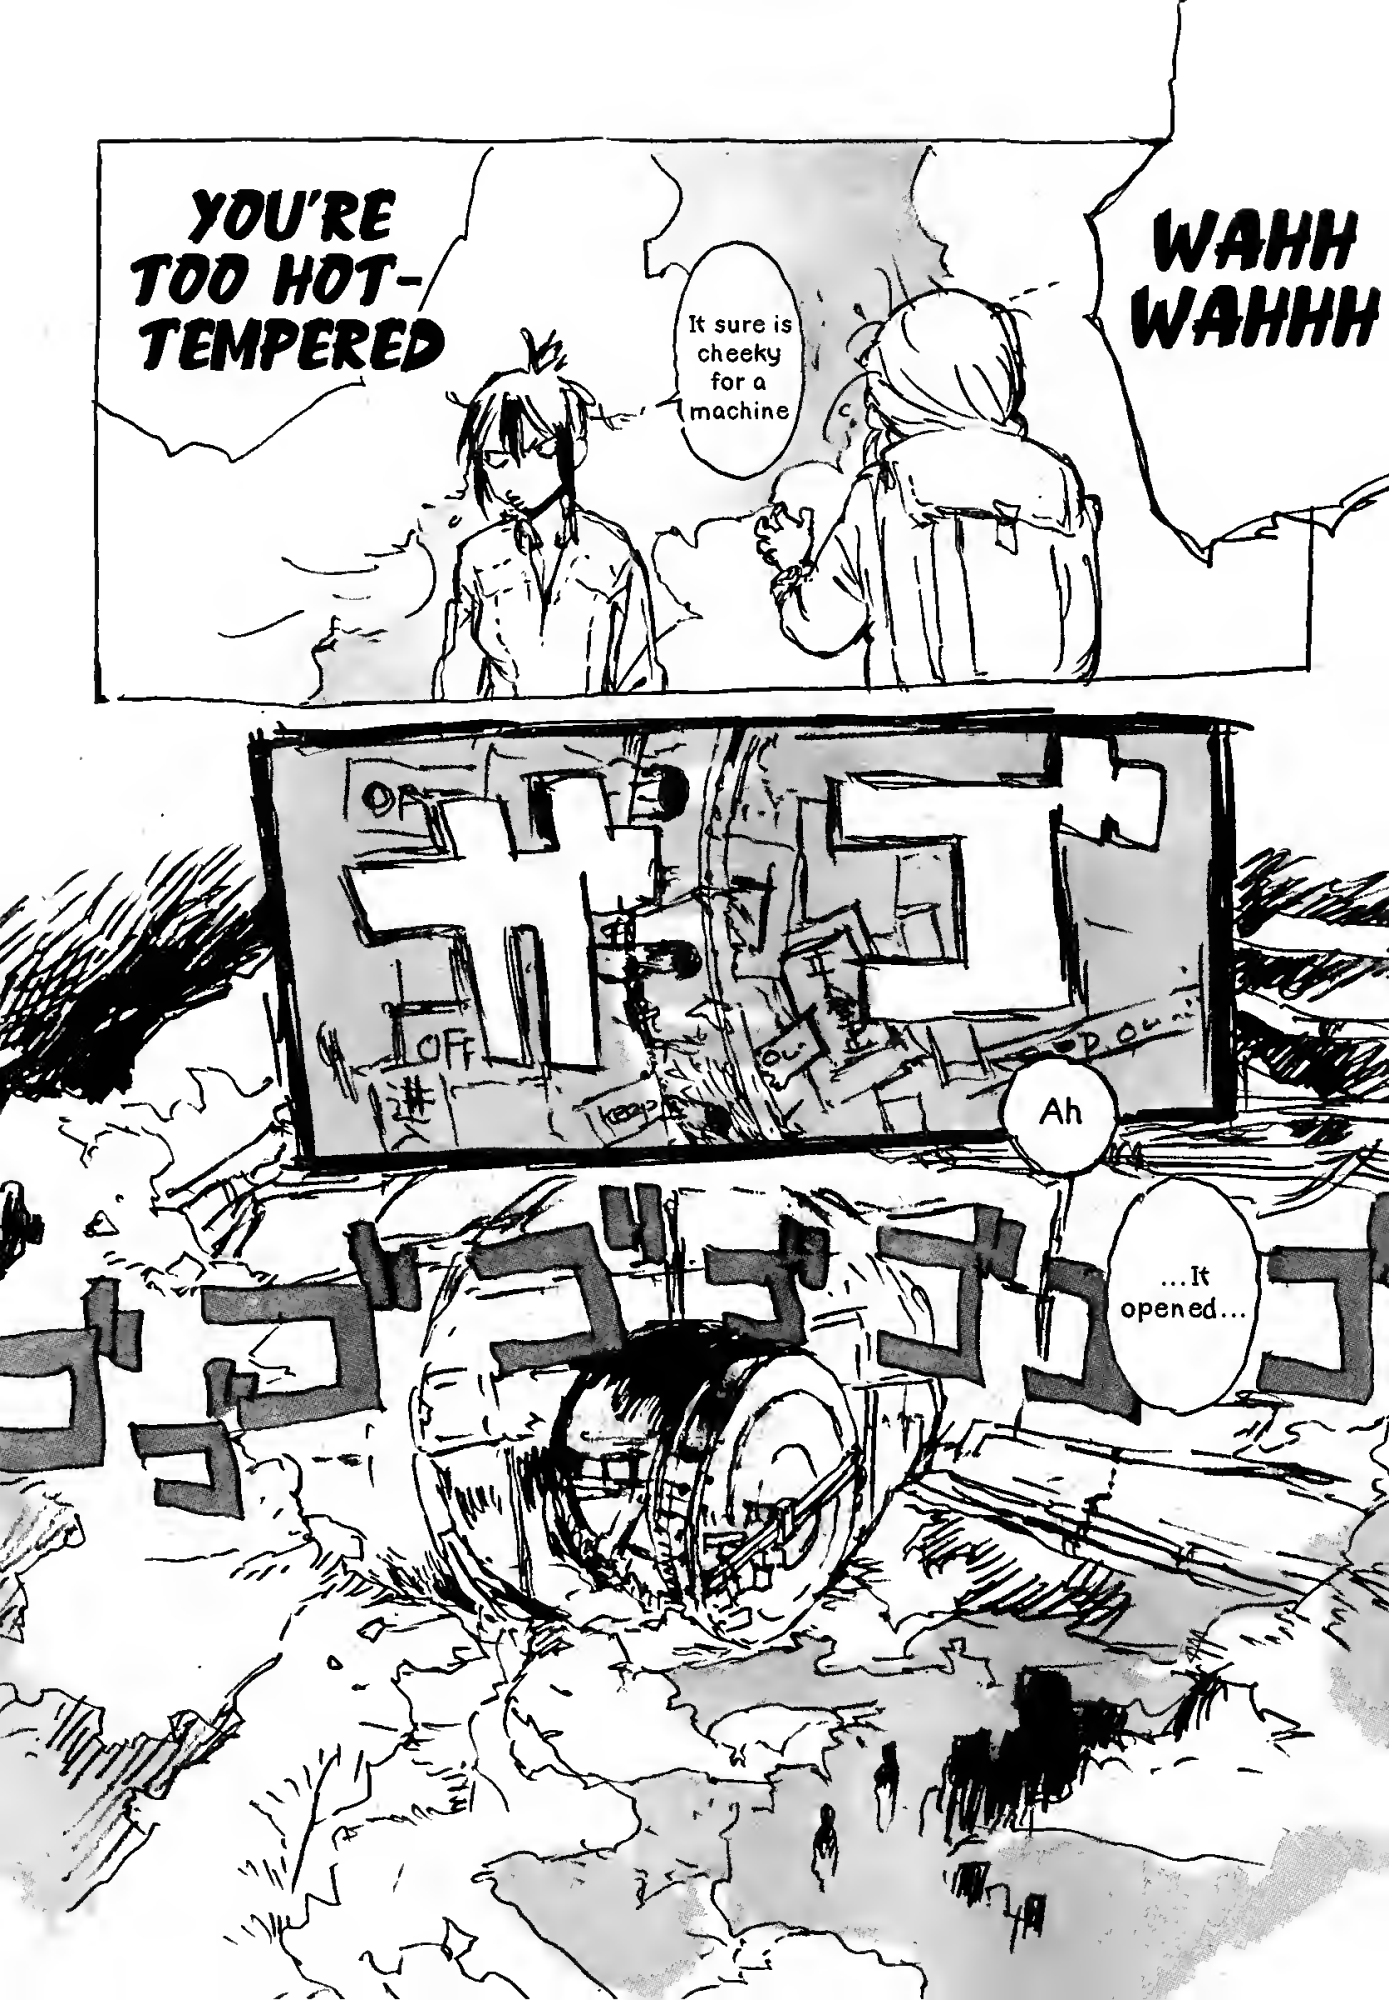
!!
...!!
WAH WAH WAHHHHH I'M GOING TO DIE
Are you okay?
Ah

I can't believe there's something like this under the waterfall...
...
...
You're making a map?
A new road in my handmade map!!

Uwah, she's not listening...
If there's an "Off limits" sign, then we shouldn't go too far...
It sure would be nice, though...
.....
.....
LIMI

Woah.....
I think it's telling us to not go in
But the door is shut...
They're broken... Someone beat us to it
封
印
There's a trick to it. There are lots of places like this in our village too
This means that the device to open it is close by
Device?
Yep, the kind with numbers

It's this, huh
The password must be one of ones used in the village
194072
156725
125627
108188
Can you open it?
.....
.....
It's not opening
ah



YOU'RE TOO HOT-TEMPERED
It sure is cheeky for a machine
WAHH WAHHH
OFF
Ah
...It opened...

An archive?
A library?
Hm---
This is...
A warehouse for books
Look at all these books...
So what's an "archive"?

It'd be terrible if the chief finds out about this
Yep
But let's look around first
Hmm...
Hmm...
This place sure feels different from where we live
...Hmm, I'm getting bad vibes from this
They're all smeared in black
.....
.....
We shouldn't tell anyone about this
Ah! These books too!!
Let me see, let me see!!
There's lots of thin books here---
Women...!?

Uwah
You can't!! Give me that!
Let me see---
There's so many of these indecent books... This couldn't have been public, huh
...But
Hm?
Who in the world...

All of them are full of words
Hmph
I'll go look on my own
Huh? Mikko
Huh
Mikko !!?
キャあああ
!!

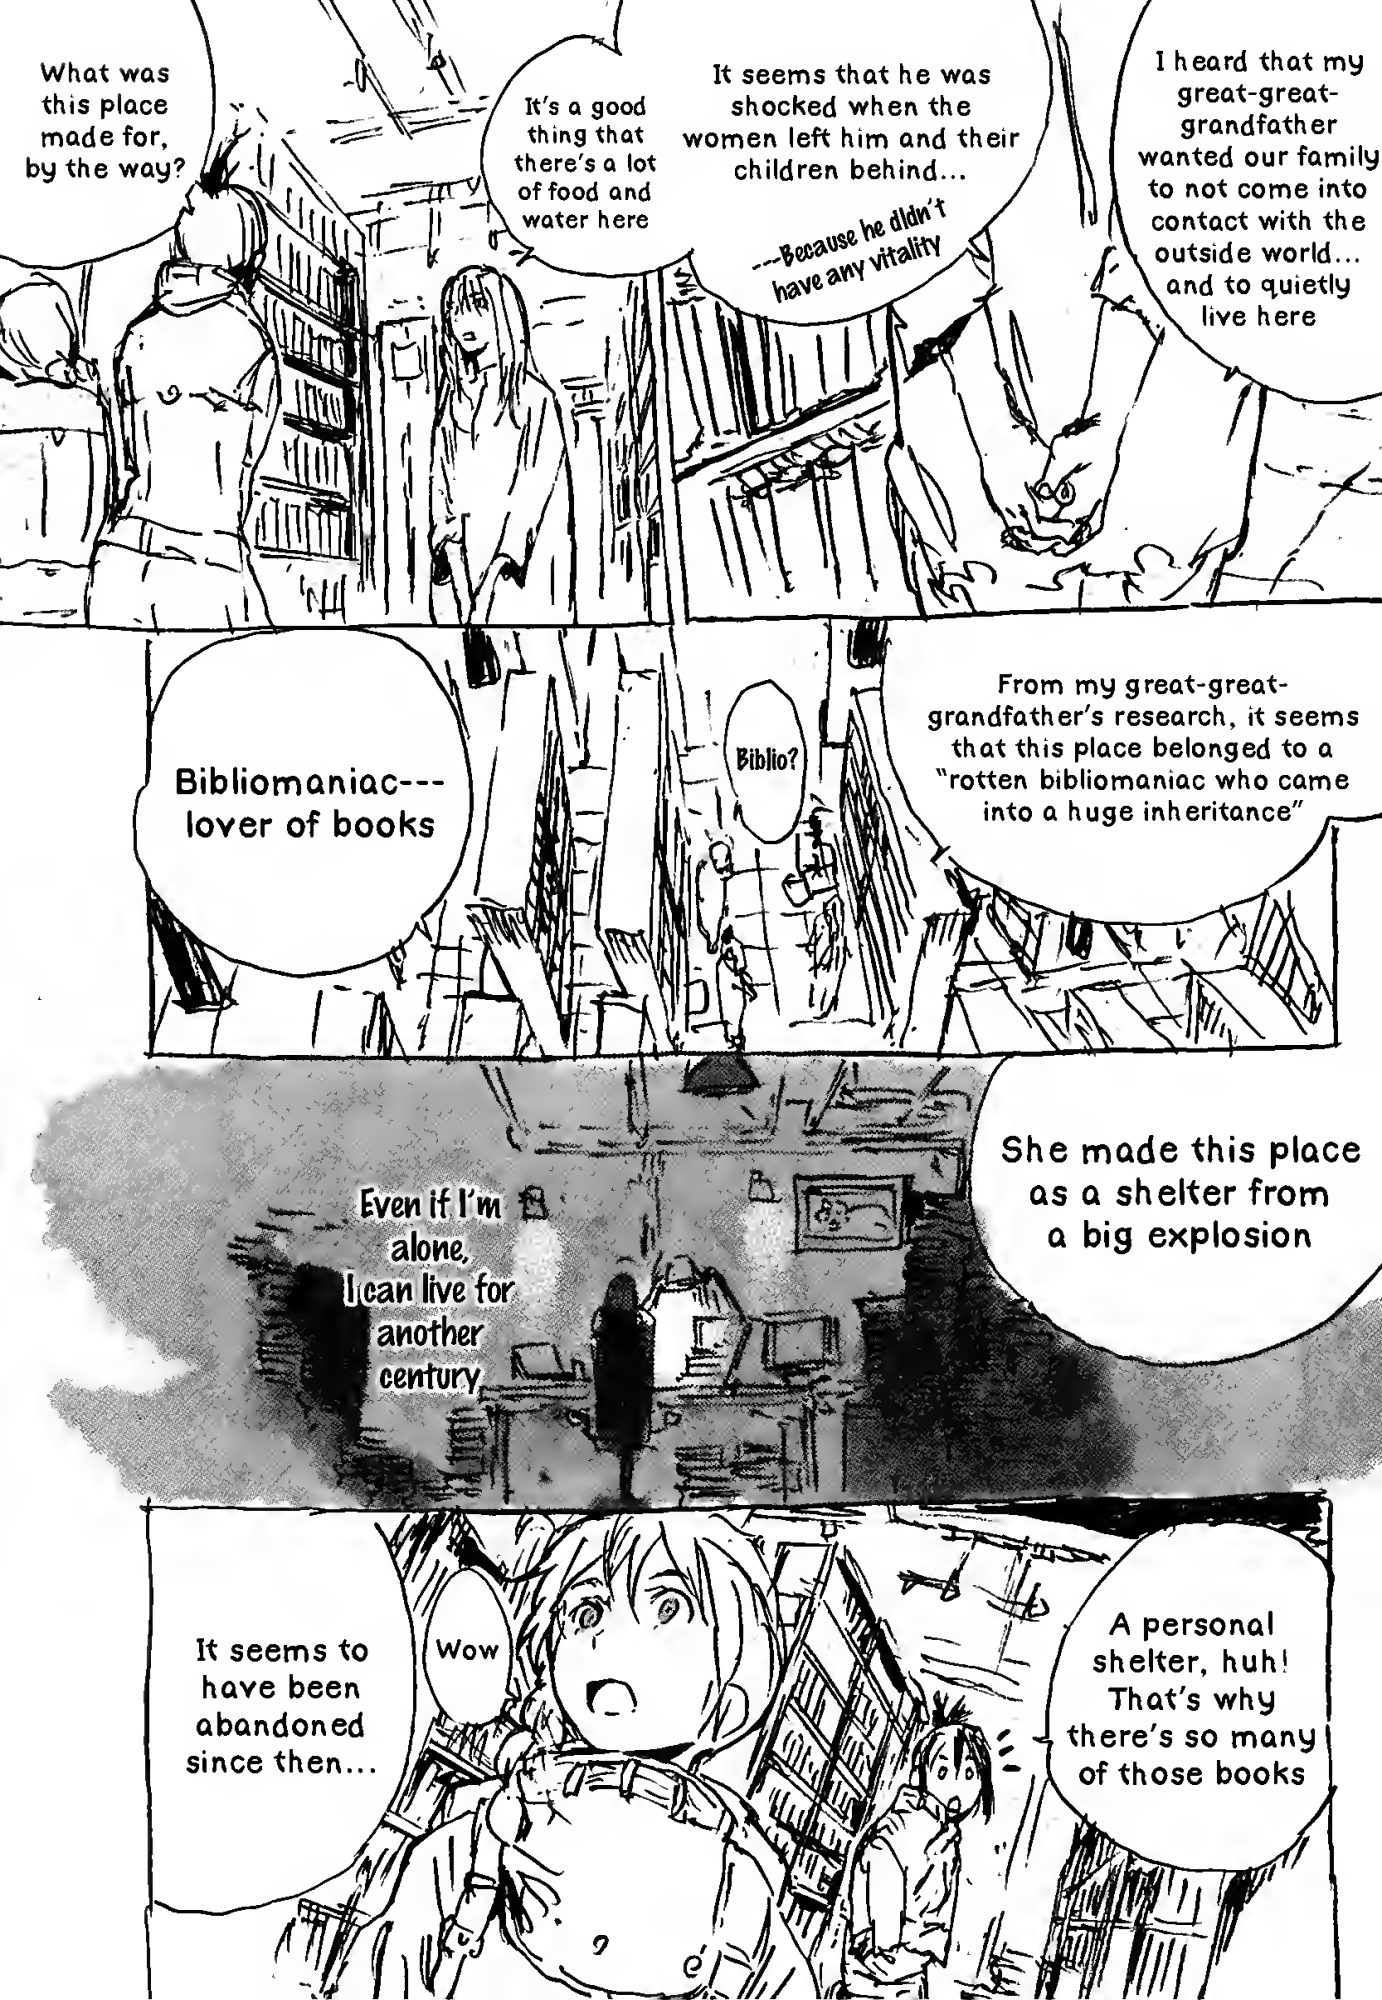
NOOOOOOOOO
WOOAH
HHHHH

Wake up!
UGH...
Hey, Bigfoot, can you understand us?
Hey
Y...YES...
Bigfoot?
UGH...
Why did you attack Mikko all of a sudden?
You sound much younger than I thought...
...Yes
Are you human?
That's... because ...
I'm not a girl, but I'm a woman
I'm a girl!!!
You two are... females, right? Young... "girls"...
Yes
Mikko, are you okay!?
GWAHHH

I was so struck by the girl's cuteness that I wanted to ask her to mate with me...
I've never... met a girl before...
Hm!? Never...
I've never left this place, so...
Really!?
Wait, wait, you just said something outrageous without hesitation
That's not it!!
Cute...
Four generations ago... Hmm, can you be more specific?
Hm...
From our village?
To be precise, ever since my ancestors from four generations ago moved here
So you... have always lived here?
I'm all alone now, though
One man and ten women were chased by the village
Ohh!

Imagination
One man kidnapped ten women and fled from the village
I've heard about that
Was that person always alone?
Dunno. Since he can talk, I guess he wasn't always alone
.....
How about this?
!
I'll take care of that
ひぼひぼ
The story about how he forced the girls to come with him with witchcraft
Oh! I know about it too
...When we talk with you, it doesn't feel like I'm talking to a human
I heard that the girls returned safely to the village in the end...
Do something about it

Ohhh hh---
Do you look like your father and grand-father?
Maybe the girls weren't kidnapped, but followed him
.....
My great-grandfather and great-great-grandfather had this face too... That's what my father told me
I guessed as much
Th-That's my great-great-grandfather's wish
I can't believe you're wasting your face by shutting yourself in here
OHHHHHHHH HHHHHHHHH



What was this place made for, by the way?
It's a good thing that there's a lot of food and water here
It seems that he was shocked when the women left him and their children behind...
---Because he didn't have any vitality
I heard that my great-great-grandfather wanted our family to not come into contact with the outside world... and to quietly live here
Bibliomaniac--- lover of books
Biblio?
From my great-great-grandfather's research, it seems that this place belonged to a "rotten bibliomaniac who came into a huge inheritance"
Even if I'm alone, I can live for another century
She made this place as a shelter from a big explosion
It seems to have been abandoned since then...
Wow
A personal shelter, huh! That's why there's so many of those books

There's lots of books that are covered in black... but it seems that someone come here before my great-great-grandfather to hide some information
So you were always reading books here?
Yes, for more than 15 years
Th-Then there are books about the "other world"--- books that aren't about our village!?
But, as you can see, there are lots of books, so they gave up halfway and just sealed this place
But?
.....
So much has been redacted that there's not much... but---
I might be able to open it with your help
Our help?
there's still an unopened door in this place
The truth is...
Cont.
+ What are they getting into!?
